TENANT IMPROVEMENT PLAN & FLOOR LAYOUT

Prepared Specifically for 6400 Sierra Court, Suite E, Dublin, CA 94568 · 96,000 Sq. Ft. Leased

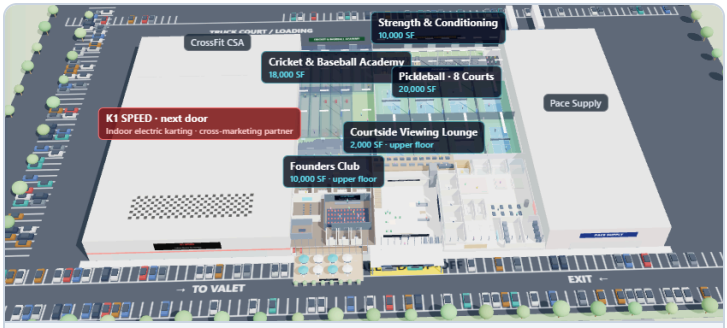

6-MONTH BUILD-OUT
$2,400,000 CONSTRUCTION ($3.0M SETUP)

Aligned to the 6400 Sierra Court, Suite E Architectural Drawings (Dublin Sierra LLC): Per the existing Suite E plans, the premises feature a **high-bay ground floor (~78,600 SF architectural; 30' clear height, ~40' column grid)** and an **existing unoccupied second-floor mezzanine (~19,400 SF)** along the south frontage (**96,000 SF leased**). Because we reuse the shell, slab, plumbing core, and 2nd floor with **modular, non-structural construction** and **overhead water piping (no under-slab lines)**, total construction cost is a practical **$2,400,000 ($25/SF)**.

1. ARCHITECTURAL FLOOR PLAN — GROUND FLOOR & EXISTING 2ND-FLOOR MEZZANINE (96,000 SF LEASED)

2. 3D FACILITY LAYOUT & ARCHITECTURAL RENDERINGS (6400 SIERRA COURT, SUITE E)

3D Cutaway Model of Suite E: Shows exact fit between K1 Speed (west) and Pace Supply (east), with front drop-off and smoke-free patio on Sierra Court.

Clean Modular Finish Standard: Indirect LED sports lighting, cushioned court & turf surfaces over existing slab, and clean 2nd-floor lounge finishes.

2. WHY THIS $2.4M CONSTRUCTION SCOPE BUILDS CLEANLY & QUICKLY

Zero Structural Demolition (50,000 SF Sports & Gym): Court surfacing, turf lanes, netting, and gym rubber flooring install directly over the existing concrete slab.

Modular Saunas & Overhead Plumbing: Self-contained saunas/cold plunges and overhead water supply lines avoid under-slab trenching per Suite E building rules.
